

Your partner for the best technology

With Traveldoo as your partner you can offer your customers the best in travel booking – online and offline. You'll be able to complement your services and unique knowledge of your customers with a bespoke Travel Booking Tool customised for each of them: their logo and travel policy parameters on your cutting-edge, white label tool.

Traveldoo's product is the most user-friendly business travel booking system on the market. A tool that is easy-to-use, content-rich and stable, underpinned by the most innovative technology and a wealth of travel know-how. And because it's compatible with all GDSs and Mid Back Office solutions in Europe, it's also perfectly adapted to your operational and technical environment.

Good for you...

You know your clients better than anybody. With Traveldoo, it's even easier to give them the travel booking system they want. Increased online booking frees you and your teams to allocate resource to serve your clients even better.

Because we're part of the Expedia Group, with Traveldoo you can be sure you're getting the most innovative, responsive technology and access to the best data there is, through the Expedia Affiliate Network (EAN).

TMC Benefits

- The easiest-to-use travel booking tool available, customised to suit your needs and those of your clients
- Robust, stable platform with 99,5% availability
- Rich content offering means no need to search elsewhere, driving online booking
- Easy-to-set parameters
- Swift implementation, with local on-site team and designated Account Manager
- Full after-sales service
- Productivity gains enable you to allocate resources more effectively
- End-to-end Travel & Expense solution means you can add value for your clients

Our technology in your hands, with all the support you need.

Good for your clients...

An end-to-end system gives your client enhanced visibility of their travel spend and enables them to manage it more efficiently. With a customised Traveldoo portal, you can offer your customers a booking experience that is second to none, resulting in high adoption rates and driving adherence to their travel policy.

Client Benefits

- Most user-friendly tool on the market
- Ease of use means no training required
- High adoption rates mean more online bookings, better adherence to travel policy and greater travel spend savings
- Productivity gains
- 3-screen booking process – just search, compare and book
- 1-click comparison of air and rail fares
- Location-based hotel search
- Comparison of hotel offers
- Compliance with Duty of Care obligations
- Global solution
- Rapid and simple deployment
- Promote reservations with low-cost companies and benefit from booking discounts
- Option to extend product to end-to-end Travel & Expense solution

Make it yours

We can work with you to provide you with a bespoke Travel Booking Tool customised for your clients. Your logo and branding, with their travel policy parameters.

You'll get our full support, with an on-site project team, a designated account manager and full training to ensure successful implementation.

“ Thanks to Traveldoo, we are able to offer our clients a completely integrated end-to-end Travel and Expense solution that harnesses the latest mobile technology. ”

Traveldoo, an Expedia Group company, is a provider of Web and Mobile platforms for business travel and expense management. Traveldoo solutions simplify travel booking and expense reporting, help optimise travel spend and expense management processes, improve risk and crisis management and make business travellers' and travel arrangers' lives easier.
